

### **Town Wide Resurfacing News:**

The Town of Lady Lake would like to announce the current list of streets town wide that will be receiving resurfacing treatment this fiscal year. Residents in the areas will be notified via door hangers prior to work starting. Work should begin the last week of June, weather contingent, and will continue for 30-60 days.

If there are any concerns or questions please do not hesitate to contact the Town of Lady Lake's Public Works office at 352-751-1526.
