

Skyline Hills Street Paving News:

The CDBG, which is the Lake County Department of Community Services Community Development Block Grant, will begin the process of street paving and paving unpaved driveway aprons in areas in the Skyline Hills Subdivision in the Town of Lady Lake.

Door hangers were delivered to residents prior to beginning work. The final grade and prepping of the driveway aprons is currently in process. The week of July 6th, street paving will begin. Door hangers will be delivered to the residents prior to paving.
