

August 29, 2017

Dear Halloween Party Participants:

The Lady Lake Parks and Recreation Department is once again seeking local organizations to sponsor games and activities for our annual "Not Too Scary Halloween Party" on October 21st. This event will start at 6:00 p.m. and will continue until 8:00 p.m.; set-up for the event will start at 3:00 p.m. Just like last year, the event will be at the Junior Baseball Field on Hermosa Street next to the fire station. These are the fields located behind the Library. Please note that there will be no rain date this year.

The responsibilities of a sponsor are to provide and staff a simple children's game. It may be as simple as a sock toss, or as you will see at the event, one group has built a haunted pirate ship. Let your imagination do the work. There is no fee to enter or sponsor a game. You are more than welcome to put a banner up with your business' information and pass out literature. This has proven to be a good low-cost form of advertising and the community will have the opportunity to come and meet you while participating in your game. Please bring a good amount of candy/prizes for the children. Last year, we were fortunate that a sufficient amount was donated, but please be prepared.

We will be able to use the field lights, but you will need to bring a table for your game, if needed. I will have a few tables available, so please call and let me know if you will need a table and do not have one. In most cases, a card table will take care of holding your candy. Last year, we had around 1,800 people attend the event, so please keep this in mind as you prepare.

If you want to be a part of this event, please contact me as soon as possible to get your organization on the list. As you may know, last year was our sixth year and was a great success. If you have any questions or ideas, please feel free to contact me at (352) 430-0451.

Sincerely,

Mike Burske

Parks and Recreation Director
Town of Lady Lake
