HAVE YOU EVER HAD WATER SERVICE WITH THE TOWN OF LADY LAKE? _____
IF YES, WHEN? _____ PAST ACCOUNT NAME: _____
PAST SERVICE ADDRESS: _____

The Public Works Department must be notified in writing of a date for meter removal. The construction meter will be locked and chained to the fire hydrant and only removed by Town staff unless prior arrangements have been made. Applicant agrees to pay all water costs, meter repair or replacement cost if damaged, lost or stolen while in applicant's possession. If necessary, the required deposit amount may be applied for the meter repair/replacement cost or to any past-due bills.

Construction water bills are due and payable upon receipt. The meter will be pulled if the bill is not paid within 40 calendar days from the bill date. An additional installation fee must be paid prior to reinstalling the meter.

Acceptance of service with the Town obligates the customer to abide by all Town Ordinances and regulations relating to the utility service. Acceptance also allows the Town agents or employees' access at all times to the Utility's lines and meter.

The person signing this form insures that they have authority to sign for the company/owner.
