

**TOWN OF LADY LAKE
JOB DESCRIPTION**

JOB TITLE: PERMITTING TECHNICIAN

PAY GRADE: 311 HD0/01

DEPARTMENT: GROWTH MANAGEMENT DEPARTMENT

CLASSIFICATION: NON-EXEMPT

STATUS: FULL-TIME

DIRECT REPORT: GROWTH MANAGEMENT DIRECTOR

GENERAL DESCRIPTION:

Responsible work under limited supervision oversees the issuance of building permits and collects and records payments required for such permits. Receives and responds to customer inquiries regarding the activities of the Building Division. Performs various duties in permitting, inspection, zoning, code enforcement and all related department services.

ESSENTIAL JOB FUNCTIONS:

1. Oversees the building permit process: Process applications, inputs data, issues computer generated building permits once plans processing is completed. Receives and records payments from contractors applying for building permits.
2. Greets customers, accepts building applications and reviews to verify completeness and appropriate signatures. Routes applications as appropriate.
3. Receives telephone inquiries regarding Building Services Division activities. Answers questions concerning building permits and costs; routes certain calls to building official; notifies applicants when permits have been processed.
4. Explains and answers questions for developers, contractors and home owners regarding application process for obtaining the permits, inspection process, conditions of Certificate of Occupancy and other procedures.
5. Assists Building Official by maintaining phone contact with contractors and property owners.
6. Schedules inspections at the request of contractors who have applied for building permits, and coordinates inspection dispatches for inspector.
7. Researches certain permit information on computer at the request of departmental employees, contractors and property owners.
8. Organizes inspection results, reports and application information for each issued permit into numerically coded folders, and files each folder.
9. Issues Certificate of Occupancy after verifying completion of inspections and related paperwork.
10. Maintains contractor files and reviews contractor qualifications prior to permit issuance per F.S. 489.

Essential Job Functions (Continued):

11. Reviews minor plans & documents relating to building permit applications for compliance with codes and ordinances. Computes impervious surface ratios.
12. Accepts applications for sign permits. Reviews forms for accuracy and completeness; explains permitting procedures and fees. Routes applications as appropriate. Issues permits as approved.
13. Balances and deposits receipts daily, in cooperation with the Finance department.
14. Prepares monthly reports for accountability to the Town, county and state. Prepares special reports for Federal, State and Local agencies, maintains records. Computes impact fees and schedules.
15. Maintains filing system for Building Services Division.
16. Logs and archives department records.
17. May receive and/or document code violation complaints and explain code enforcement procedures.
18. Locates properties by legal descriptions on maps and blueprints.
19. Ensures compliance with zoning ordinances and Town codes.
20. Coordinates building permit issuance with Property Appraiser's office and furnishes various reports to the Home Builders Association, State of Florida, Lake County (GIS), and the Lake County Clerk of the Courts.
21. Checks property and legal descriptions against flood maps (FEMA).
22. Maintains FEMA maps, and Hunnicutt maps.
23. Interacts and communicates daily with various groups and individuals including Building Official, Planners, Finance department employees, contractors, and property owners.

[These essential job functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other job related marginal duties as required.]
