Approval to Host a Mother — Son Dance at the Library on May 9, 2020

## SUMMARY

The Parks and Recreation Director is seeking permission to host a mother — son dance at the library on May 9, 2020. This event will be similar to the daddy — daughter dance we hosted in the fall where we had 75 people attend. Julia Harris, the Town Manager's Administrative Assistant, and Dawn Woods, Finance Payroll/Accounting Clerk, have agreed to assist the Parks and Recreation Director as they did with the first event. Their time and efforts were second to none at the first dance. This event will have a different theme so as to make it more of a party than a formal dance as we did with the first event.
