Approval to Invest Up to \$2,500.00 in Sod and Plant Material for the Butterfly Garden at Heritage Park

SUMMARY

The Lady Lake Garden Club is requesting the Town's assistance in helping re-shape the Butterfly Garden at Heritage Park as shown in the attached garden plan. The goal of this project is to make the garden more maintenance friendly as many of the members are getting up in years and are not able to maintain it as they once have, although staff does assist in maintenance. The estimated price will include mostly sod and tree work. The summary of what the Garden Club is proposing is included in the attached e-mail. The Parks, Recreation and Tree Advisory Committee's recommendation will be reported on at the meeting.
