Approval to Waive the \$500.00 Seasonal Payment for Both the Little League and The Lady Lake Soccer Association for the Fall Season

SUMMARY

The Parks and Recreation Director is seeking approval to have the Commission waive the fees the Little League and the Lady Lake Soccer Association will pay the Town for the fall season. Both leagues had to cancel play nearly two weeks into their season, so their field use was not utilized. Both leagues will have greatly reduced participation this fall and the concession stand will not be able to bring in the needed revenue due to restrictions from Little League and the Centers for Disease Control and Prevention (CDC) Guidelines. The Little League will be offering reduced participation fees for those who registered last spring and could not play.
