6 **EFFECTIVE DATE.**

7 **WHEREAS**, on January 18, 1988, a Development of Regional Impact (DRI) known as Orange
8 Blossom Gardens-South (OBGS) was approved by the Town of Lady Lake in Ordinance 88-1. A
9 substantial deviation to the OBG-South DRI was approved on May 7, 1990 by Ordinance 90-12. A
10 second substantial deviation was approved as the Orange Blossom Gardens-West (OBGW) DRI
11 on May 7, 1990. The OBGW DRI Development Order was amended on August 14, 1990 and again
12 on February 16, 1993. On October 12, 1994, a substantial deviation to the OBGS and OBGW DRI
13 development orders was approved, combining them and referring to the development
14 collectively as the Tri-County Villages DRI. The Town of Lady Lake has approved the following
15 amendments to the Tri-County Villages DRI: August 3, 1998 by Ordinance 98-13 (first
16 amendment), October 18, 1999 by Ordinance 99-37 (second amendment), May 8, 2000 by
17 Ordinance 2000-20 (third amendment), May 5, 2003 by Ordinance 2003-07 (fourth amendment),
18 August 2, 2004 by Ordinance 2004-06 (fifth amendment), March 17, 2005 by Ordinance 2005-07
19 (sixth amendment), February 23, 2009 by Ordinance 2009-01 (seventh amendment), March 17,
20 2014 by Ordinance 2014-03 (eighth amendment), November 17, 2014 by Ordinance 2014-03
21 (ninth amendment), June 18, 2018 by Ordinance 2018-25 (tenth amendment). The Tri-County
22 Villages DRI and all adopted amendments are referred to in this Development Order as the
23 Amended Development Order (ADO); and

24 **WHEREAS**, in 2018, the Florida Legislature amended Chapter 380, F.S. to eliminate all state and
25 regional review from the DRI process and giving local governments full authority to review DRI
26 changes against their local comprehensive plan and land development regulations; and

27 **WHEREAS**, due to the elimination of state and regional review, the Sumter County portion of the
28 DRI should be removed because the Town of Lady Lake has no authority over that portion of the
29 DRI; and

30 **WHEREAS**, on July 13, 2020, The Villages of Lake-Sumter, Inc. submitted its application (the
31 APPLICATION) to the Town of Lady Lake to amend the Tri-County Villages Development of
32 Regional Impact (DRI) Amended Development Order, (the ADO); and

1 **WHEREAS**, the Town of Lady Lake (Lady Lake), as governing body of the local government
2 having jurisdiction, is authorized and empowered to consider DRIs; and

3 **WHEREAS**, the Town of Lady Lake has reviewed the APPLICATION, as well as all related
4 testimony and evidence submitted by each party and members of the general public.

5 **NOW, THEREFORE BE IT RESOLVED** by the Lady Lake Town Commission, in a public meeting
6 duly constituted and assembled this **1st** day of **March, 2021**, that the Tri-County Villages of Lake
7 DRI is hereby approved, effective as specified herein, based upon and subject to the following
8 findings of fact, conclusions of law and conditions/restrictions:

9 **SECTION 1: Findings of Fact.**

10 Based on the documentation and testimony received at the public hearing, the Board hereby
11 finds as fact as follows:

- 12 1. The Tri-County Villages DRI is a mixed-use retirement community Development of Regional
13 Impact located in the Town of Lady Lake.
- 14 2. On July 13, 2020, the Developer submitted the APPLICATION to amend the Tri-County Villages
15 DRI as follows:
 - 16 A. Update the DRI to reflect the changes in Chapter 380, F.S., which removed all state and
17 regional review from the DRI process. The revisions to Chapter 380, F.S. require the
18 following edits to the ADO:
 - 19 1) Remove all references to requiring state and regional review from the ADO including
20 rendering (also called transmitting or sending) the DRI amendment or any other
21 documents to state and regional agencies, which includes the Department of Economic
22 Opportunity (previously called the Department of Community Affairs), the East Central
23 Florida Regional Planning Council and the Withlacoochee Regional Planning Council;
 - 24 2) Remove all references to requiring a substantial deviation review including references
25 to certain changes requiring further review pursuant to Chapter 380.06(19), F.S.;
 - 26 3) add a provision clarifying that the ADO is now a local development order requiring only
27 the approval of the Town of Lady Lake after demonstrating consistency with the Town
28 of Lady Lake comprehensive plan and land development regulations;
 - 29 4) delete all references to submitting an annual report or final report;
 - 30 5) delete any provisions requiring the ADO to be consistent with the East Central Florida
31 and Withlacoochee Strategic Regional Policy Plans; and

1 6) remove the Sumter County portion from the ADO which requires amending the Map H,
2 Map H-1, Map H-2, and the legal description to remove the property, the entitlements,
3 the acreages and those land uses assigned only to the Sumter portion.

4 B. Amend the ADO to permit multi-family attached or detached units in the town center
5 through the following revisions:

6 1) Clarify that the approved 2,108 residential units can be built as single-family or multi-
7 family attached or detached units;

8 2) delete the phrase “not more than” when referring to the 2,108 residential units since
9 the conversion of already approved non-residential entitlements could result in more
10 than 2,108 residential units within the DRI;

11 3) rename Map H as Master Plan and create a single master plan by deleting Maps H-1
12 and H-2 and combining with Map H;

13 4) amend Master Plan to clarify that multi-family units are permitted in the town center
14 and to remove the Sumter County portion from the Master Plan and entitlements
15 table; and

16 5) adopt a land use conversion table in the ADO to allow approved land uses to be
17 converted without creating additional external impacts and insert implementing
18 language for how the land use conversion table will function.

19 C. Delete the three dwelling unit per gross acre density standard currently in the ADO and
20 replace with the adopted comprehensive plan density which is 12 dwelling units per acre.

21 D. Delete all references to acreages in the ADO for residential and non-residential uses.

22 E. Extend the DRI buildout and expiration dates to December 31, 2025.

23 3. The changes proposed in the APPLICATION are consistent with the Town of Lady Lake
24 Comprehensive Plan and Land Development Regulations and do not create any additional
25 external impacts.

26 4. A duly noticed public hearing was conducted on the APPLICATION by the Town of Lady Lake
27 on **March 1, 2021** and all interested parties and members of the public were similarly afforded
28 the opportunity to participate.

29 **SECTION 2. Conclusions of Law.**

30 Based on the findings of fact adopted above, Lady Lake hereby adopts the following conclusions
31 of law:

1 1. The Town of Lady Lake is the governing body having jurisdiction over the review and approval
2 of the APPLICATION and is authorized and empowered to issue this Eleventh Amendment to the
3 Tri-County Villages DRI ADO.

4 2. The proposed development is consistent with the applicable local comprehensive plan and is
5 consistent with the applicable local land development regulations.

6 3. The provisions of this amendment to the ADO shall not be construed as a waiver of or
7 exception to any local, state or federal law or regulation.

8 4. The impacts of this development, as conditioned by this Eleventh Amendment to the ADO,
9 are adequately addressed and do not create additional local impacts.

10 5. To the extent that the application for development approval (ADA), DRI amendment
11 application, or any other document is inconsistent with the terms and conditions of this
12 amendment to the ADO, this amendment to the ADO shall prevail.

13 **SECTION 3. General Conditions.**

14 The Town of Lady Lake, having made the aforementioned Findings of Fact and Conclusions of
15 Law, hereby approves the proposed changes contained in the APPLICATION and subsequent
16 addendum submittals and incorporated by reference herein, subject to the following
17 modifications and conditions of development set forth in this amendment to the ADO:

18 1. Revisions to Development Order:

19 A. Delete All References to State and Regional Review. Delete all provisions in the ADO that
20 require state and regional review for the Tri-County Villages DRI including rendering (also
21 called transmitting or sending) the ADO or any other documents to state agencies which
22 includes the Department of Economic Opportunity (previously called the Department of
23 Community Affairs), the East Central Florida Regional Planning Council and the
24 Withlacoochee Regional Planning Council.

25 B. Delete All References to Substantial Deviation Review. Delete all provisions in the ADO
26 that require substantial deviation review for the Tri-County Villages DRI including
27 references that certain changes require further review pursuant to Chapter 380.06(19),
28 F.S.

29 C. Add Provision that ADO is now Local Development Order. The Tri-County Villages DRI is a
30 local development order that must be approved by the Town of Lady Lake Commission.

31 D. Delete All References to Annual Report and Final Report. All references requiring the
32 submittal of annual report or final report by the Developer is deleted within the ADO.

- 1 E. Delete Consistency Requirements with Strategic Regional Policy Plans. All provisions
2 requiring that the Tri-County Villages DRI be consistent with the East Central Florida
3 Strategic Regional Policy Plan and Withlacoochee Regional Policy Plan are deleted.
- 4 F. Delete Sumter County Portion from ADO. Amend the legal description to remove the
5 Sumter County property from the DRI as shown on EXHIBIT 1.
- 6 G. Add Multi-Family as Permitted Use in ADO. The Tri-County Villages DRI is approved for
7 2,108 single-family or multi-family attached or detached residential units. The use of the
8 conversion table could result in more than 2,108 residential units but only if other uses
9 are converted to ensure no increase in external impacts. The reference to “not more than
10 2,108” units is deleted. In addition, rename Map H as Master Plan and amend the Master
11 Plan to add multi-family to the list of permitted uses as shown on EXHIBIT 2.
- 12 H. Amend Master Plan. Amend Master Plan to revise the permitted uses allowed in the town
13 center including the addition of multi-family as a permitted use and the removal of uses
14 only located in the Sumter County portion of the DRI. Additionally, remove the Sumter
15 County portion from the Master Plan as shown on EXHIBIT 2. Finally, create a single
16 Master Plan by renaming Map H as Master Plan and deleting Maps H-1 and H-2 and
17 combining with Map H.
- 18 I. Adopt Land Use Conversion Table. Developer may convert development entitlements
19 depicted in the Master Plan to other uses approved in ADO, only so long as the total trips
20 generated do not exceed the trips permitted in the ADO. Attached and incorporated as
21 EXHIBIT 3 is a Land Use Conversion Table (the “Conversion Table”) identifying the trip
22 equivalency for each land use permitted. No amendment to the ADO is required in order
23 to utilize the Conversion Table. Developer must provide the Town notice of at least thirty
24 (30) days in advance of using the Conversion Table with no approval required by the
25 Town.
- 26 J. Amend Density Standard. The maximum residential density for the Tri-County Villages DRI
27 is 12 dwelling units per acre which is the density permitted in the Town of Lady Lake
28 Comprehensive Plan for the property. The previous density standard of three dwelling
29 units per gross acre is deleted.
- 30 K. Delete References to Acreage for Residential and Non-Residential Uses. Delete all
31 references to acreage for residential and non-residential in the ADO and the previously
32 approved Maps H, H-1, and H-2 as reflected in EXHIBIT 2.
- 33 L. Extend Buildout and Expiration Dates. Adopt December 31, 2025 as the DRI buildout and
34 expiration dates.

- 1 M. Final Order. That this amendment to the ADO shall constitute the final order of the Town
2 of Lady Lake in response to the APPLICATION filed by the Developer.
- 3 N. Definitions. That the definitions found in Chapter 380, F.S. (2020) shall apply to this
4 amendment to the ADO.
- 5 O. Assignability: Persons Bound. That this amendment to the ADO shall be binding upon the
6 Developer and its heirs, assignees, or successors in interest.

8 determined to be invalid, illegal or unconstitutional by a court of competent jurisdiction,
9 such decision shall in no manner affect the remaining portions or sections of this
10 amendment to the ADO, which shall remain in full force and effect.
- 11 Q. Recordation of Notice of Adoption. That within 60 days of the issuance of this amendment
12 to the ADO, The Villages of Lake-Sumter, Inc. shall cause a Notice of Adoption of this
13 amendment to be recorded among the Public Records of Lake County and shall provide a
14 copy of the recorded Notice to the Town of Lady Lake.
- 15 R. Restriction on Downzoning, Density Reduction or Intensity Reduction. That the Town of
16 Lady Lake agrees that the approved DRI shall not be subject to down zoning, density
17 reduction, or intensity reduction after the effective date of this amendment to the ADO,
18 unless the Town of Lady Lake can demonstrate that substantial changes in the conditions
19 underlying the approval of the amendment to the ADO have occurred, or that the
20 amendment to the ADO was based on substantially inaccurate information provided by
21 the Developer, or that the change is clearly established by the Town of Lady Lake to be
22 essential to the public health, safety or welfare.
- 23 S. Impact Fees. That approval of this amendment to the ADO shall not exempt any portion or
24 unit of the Tri-County Villages of Lake development from any future impact fees imposed
25 by the Town of Lady Lake. Developer credit for applicable improvements paid for by it
26 pursuant to the requirements of this amendment to the ADO shall be given as provided
27 for by Section 380.06(16), F.S.
