### SUMMARY

The Orange Blossom Lions Club has asked that we consider placing a plaque at the fountain in Heritage Park to honor Doris Turlo's legacy in Lady Lake. In the 18 years that I have known Doris, she has been responsible for the Christmas Parade, even before the Town took it over, many donations to the Little League and Soccer Association, volunteered time to the Driving Range, the Easter Egg Hunt, and the Not Too Scary Halloween Event. She has volunteered for the town for over 16 years. Keep in mind, we are just one area where she volunteers and serves. This passed the Parks, Recreation and Tree Board with a 4-0 vote. The plaque will be paid for by the Orange Blossom Gardens Lion's Club.
