STAFF RECOMMENDED MOTIONS

Staff is requesting an increase in distance for take home vehicles from 25 miles to 40 miles from the town limits of Lady Lake. This would apply to sworn officers only.

SUMMARY

In 2007, the Police Department's policies and procedures were amended to allow sworn officers to drive their patrol cars home if they resided within 25 miles of the town limits. More people are needing to commute due to housing constraints plus this benefit can be used as a recruitment tool to attract candidates from farther afield.

During union negotiations, it was agreed that the limit of 25 miles from which a sworn officer could drive home a patrol car would be increased to 40 miles as the crow flies (distance by air) and that the change would be made in the PD's Policies & Procedures Manual rather than in the union contract.
