SUMMARY

At the January 16, 2023 meeting, the Commission voted to approve on first reading, Ordinance 2023-01 with a 5-0 vote.

At the February 6, 2023 meeting, the Commission voted to approve verbiage provided by the Town Attorney that would allow any other group to obtain exempt status if approved by a majority vote of the Town Commission at a regular meeting.

Following the February 6th meeting, it was decided to revisit the matter at a Workshop and one was scheduled for February 16th. At that meeting, the Commission consented to removing all references to individual groups to which exempt or partially exempt status is granted. Upon adoption of the ordinance, applications requesting exempt status must be presented to the Town Commission at a regularly scheduled meeting and they will make the determination if an exemption of fees should be granted.
